

The Educational Secondary at a Glance

Step 1: Declare Educational Secondary

Junior Year (and no later than Oct. 1 of Senior Year)

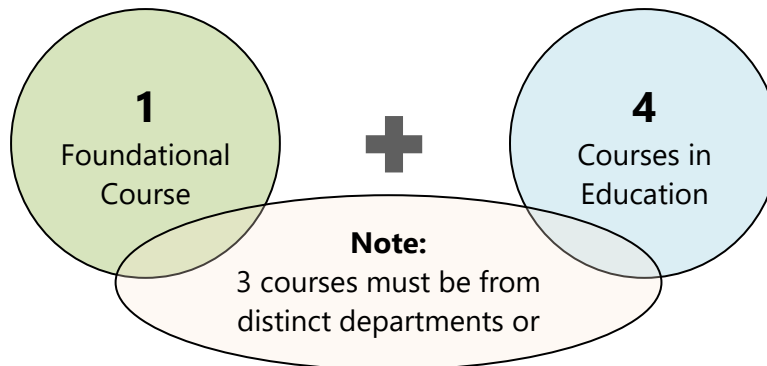

Step 2: Develop a Plan of Study

Students are encouraged to get in touch with the Director of the secondary field for help with developing a plan of study.

Step 3: Take 20 Credits (5 full courses) from Approved List

Step 4: Complete a Capstone Project Related to Education

This can include:

Writing a senior thesis on a topic related to education

or

Taking a course that requires a significant research project

or

Completing an independent study focused on education

or

Working in a laboratory or as a research assistant on a study related to education

or

An extracurricular project that involves significant learning and reflection

**All capstone proposals must be approved by the Director before commenced.*
